ABOUT US

PACKS VERTEX PVT. LTD. is a leading manufacturer of high-quality, returnable and protective packaging solutions. We combine innovation, expertise and advanced technology to deliver packaging that ensures safety, efficiency and sustainability across the supply chain.

Our wide range of products is designed to protect, organize and optimize your valuable products during storage, handling and transportation.

With a customer-first approach and continuous improvement, we are committed to delivering value-driven solutions that exceed expectations.

PROVEN SOLUTIONS. REAL IMPACT.

At PACKS VERTEX PVT. LTD., we deliver packaging solutions that solve real-world challenges and create measurable value for our customers across industries.

SUCCESS STORIES

AUTOMOTIVE COMPONENTS

Challenge : Damage during transport & handling
Solution : Custom PP Inserts
Impact : 98% reduction in product damage

ENGINEERING PARTS

Challenge : Space utilization & return logistics
Solution : Returnable Sleeve Packs
Impact : 35% more space utilization & cost saving

ELECTRONICS

Challenge : ESD protection & product safety
Solution : ESD Safe Inserts & Partitions
Impact : Zero ESD related rejections

EXPORT PACKAGING

Challenge : Long distance shipping safety
Solution : Wooden Crates & Pallets
Impact : Safe delivery to 50+ countries

OUR STORY

PACKS VERTEX PVT. LTD. was established with the vision to deliver innovative, reliable and sustainable packaging solutions that add value to our customers' products and processes. Through continuous improvement, customer focus and advanced technology, we have built a strong reputation as a trusted partner in industrial packaging.

COMPANY PROFILE

04

VISION

To be a global leader in industrial packaging by delivering smart, sustainable and performance-driven solutions.

MISSION

To provide high-quality packaging solutions through innovation, advanced technology and a commitment to customer satisfaction and environmental responsibility.

OUR VALUES

INTEGRITY

We believe in honesty, transparency and ethical business practices.

QUALITY

We are committed to delivering products of the highest standards.

INNOVATION

We embrace new ideas and technology to create better solutions.

CUSTOMER FOCUS

Our customers' success is at the heart of everything we do.

SUSTAINABILITY

We care for our environment and strive for a better tomorrow.

ABOUT P.P. CORRUGATED BOXES

PP Corrugated Boxes are lightweight, durable and reusable packaging solutions made from polypropylene corrugated sheets. These boxes offer excellent strength, moisture resistance and chemical resistance, making them ideal for a wide range of industrial applications.

FEATURES & BENEFITS

- Lightweight yet strong & durable
- Moisture, chemical & corrosion resistant
- Reusable & cost effective
- Easy to assemble & fold
- Customizable sizes, colors & printing
- 100% Recyclable & eco friendly
- Suitable for returnable packaging

APPLICATIONS

- Automotive Components
- Electronics & Electricals
- Pharmaceuticals
- Engineering Parts
- Food & Beverages
- E-Commerce & Logistics
- Retail & Distribution
- Export Packaging

ABOUT ESD BOXES

ESD Boxes are specially designed to protect sensitive electronic components and devices from electrostatic discharge (ESD) damage. Manufactured using conductive / dissipative PP corrugated material, these boxes ensure safe handling, storage and transportation of high value electronics.

FEATURES & BENEFITS

- Protects against electrostatic discharge (ESD)
- Made from conductive / dissipative material
- Lightweight, durable & reusable
- Moisture, dust & chemical resistant
- Custom sizes, printing & inserts available
- Cost effective & long lasting
- 100% Recyclable & eco friendly
- Ideal for electronics & critical components

ABOUT WOODEN PACKAGING

Our wooden packaging solutions are engineered for strength, durability and maximum protection during handling, transportation and storage. We use high quality wood and follow ISPM 15 standards to ensure safe, reliable and export compliant packaging for all industries.

FEATURES & BENEFITS

- High strength & load bearing capacity
- Excellent protection for heavy & fragile items
- Suitable for domestic & export shipments
- ISPM 15 Heat Treated / Fumigation compliant
- Custom design as per product dimensions
- Moisture resistant & weather durable
- Easy to assemble, dismantle & repair
- Cost effective & sustainable solution
- Recyclable & eco friendly

OUR PRODUCT RANGE

14

SMART PACKAGING SOLUTIONS BUILT FOR PROTECTION & PERFORMANCE

A wide range of returnable, recyclable and customized packaging products designed to add value across industries.

01 PLASTIC PALLETS

- Strong, durable & lightweight
- 4 Way / 2 Way entry options
- Static & Dynamic load options
- Custom sizes available

02 SLEEVE PACK SYSTEMS

- Returnable & reusable
- Reduces overall packaging cost
- High stacking strength
- Easy to assemble & fold

03 PP CORRUGATED BOXES

- Lightweight & sturdy
- Moisture & chemical resistant
- Reusable & 100% recyclable
- Custom size & printing available

04 CORRUGATED PACKAGING

- Strong & reliable protection
- Cost effective & eco-friendly
- Custom size & design
- Die cut & printed options

05 WOODEN PACKAGING

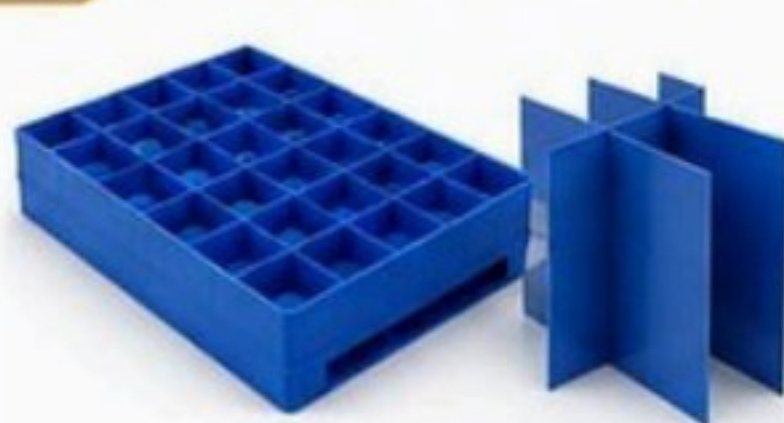

- Heavy duty protection
- Ideal for export & long transit
- Heat treated & ISPM 15 compliant
- Crates, boxes & pallets

06 ESD SAFE PACKAGING

- Protects sensitive components
- ESD Safe Inserts, Boxes & Bins
- Conductive / Anti-Static options
- Customized solutions available

07 INSERTS & SEPARATORS

- Custom inserts for product safety
- PP Corrugated / Foam / ESD options
- Partitions, Dividers & Trays
- Reduces movement & damage

08 LID & DOLLY / TROLLEY

- Lids for extra protection
- Trolleys for easy movement
- Improves ergonomics
- Custom sizes available

09 CUSTOM PACKAGING SOLUTIONS

- Engineered as per product need
- Material, size & design flexibility
- Cost effective & sustainable
- End-to-end solution provider

10 ACCESSORIES

- Corner Protectors
- Clips, Hinges & Locks
- Strapping & Buckles
- Improve strength & usability
